Normal box with heading

We can also choose to not have a heading for our boxes.

Code used to modify title and heading separately

```
#update-poster-layout(spacing: box-spacing)
#update-theme(
  title-box-args: (fill: rgb(150, 0, 150), inset:
1.2em),
  heading-box-args: (fill: rgb(120, 0, 200), inset:
0.6em, width: 100%)
)
```
